

2017 Skipping Stones Honors List

This year we recommend 25 outstanding books and four teaching resources as the winners of our 25th Annual **Skipping Stones Awards**. These books promote an understanding of cultures, cultivate cooperation and encourage a deeper understanding of the world's diversity. They also encourage ecological richness, respect for multiple viewpoints and closer relationships within human societies. These unique titles offer an exciting way to explore and understand diverse cultures, places, societies and their histories for readers of all ages.
